**Class of 2021T:** Per the revised graduation requirements due to COVID-19, students in the Class of 2021T must complete six APPEs for a total of 42 units. This creates two “open blocks” during the APPE portion of the curriculum which are not reflected above. Students on Financial Aid have taken additional electives to meet Financial Aid enrollment requirements. You will outline the specific APPEs you have taken as part of the Graduation Worksheet.
