

# Critical Care PGY2 Core Rotation Preceptor Biography

<p><b>Rima Bouajram, PharmD</b> rima.bouajram@ucsf.edu</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center</p>
	<p><b>Education:</b> PharmD, University of Texas at Austin, 2013</p>
	<p><b>Training:</b> PGY1 General Practice, UC San Diego Health System, 2014; PGY2 Critical Care, UC Davis Medical Center, 2015</p>
	<p><b>Practice and Research Interests:</b> Medical and Surgical Critical Care, Cardiovascular Intensive Care Unit Research Related to Pain &amp; Sedation Assessment &amp; Management, Transitions of Care, Medication Safety</p>
	<p><b>Additional Responsibilities/Current Projects:</b> SCCM Program Improvement Workgroup SCCM CPP Research Committee UCSF Extended-Infusion Beta-Lactam Workgroup Projects: Protocol for Inpatient Management of Edema, Idarucizumab Clinical Criteria for Use, Extended-Infusion Zosyn, Management of Metabolic Disorder Emergencies</p>
	<p><b>Rotations Precepted:</b> PGY1: Medical and Surgical ICU; PGY2: Cardiovascular Intensive Care Unit, Medical and Surgical ICU</p>

<p><b>Zlatan Coralic, PharmD, BCPS</b> Zlatan.Coralic@ucsf.edu</p>	<p><b>Title:</b> Emergency Medicine Clinical Pharmacists; Associate Clinical Professor; Departments of Pharmacy and Emergency Medicine</p>
	<p><b>Education:</b> PharmD, University of Southern Nevada, 2008</p>
	<p><b>Training:</b> PGY 1 General Practice, University of California San Francisco, 2009</p>
	<p><b>Practice and Research Interests:</b> Emergency Medicine</p>
	<p><b>Additional Responsibilities/Current Projects:</b> Stoke Committee Emergency Medicine Med Safety Chair: ASHP Science Advisory Group on Emergency Care</p>
	<p><b>Rotations Precepted:</b> Pharmacy PGY 1&amp;2: Emergency Medicine; Medicine PGY 4: Emergency Pharm Elective</p>

<p><b>Noelle de Leon, PharmD, BCPS, BCCCP</b> noelle.deleon@ucsf.edu</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center Assistant Clinical Professor at UCSF School of Pharmacy</p>
	<p><b>Education:</b> PharmD, University of Southern California, 2009</p>
	<p><b>Training:</b> PGY1 General Practice, Community Regional Medical Center, 2010 PGY2 Cardiology, VA Greater Los Angeles Healthcare System, 2011</p>
	<p><b>Practice and Research Interests:</b> Continuing Pharmacist Education Program, Antithrombotic and Hemostasis Committee, High Risk Medication Safety Task Force</p>
	<p><b>Additional Responsibilities/Current Projects:</b> Continuing Pharmacist Education Program Committee, Continuing Pharmacist Education Program coordinator, Antithrombotic and Hemostasis Committee, High Risk Medication Safety Task Force UCSFMC Schedule Task Force Projects: appropriate novel oral anticoagulant dosing in elderly patients, blood product transfusion algorithm and recombinant factor VIIa dosing guideline workgroup</p>
	<p><b>Rotations Precepted:</b> PGY1: Medical and Surgical ICU; PGY2: Cardiovascular Intensive Care Unit, Medical and Surgical ICU</p>

<p><b>Kendall Gross, PharmD, BCPS, BCCCP</b> kendall.gross@ucsf.edu</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center Assistant Clinical Professor at UCSF School of Pharmacy</p>
	<p><b>Education:</b> PharmD, University of Georgia, Athens, 2008</p>
	<p><b>Training:</b> PGY1 General Practice, University of Kentucky, 2009; PGY2 Critical Care Residency, University of Kentucky, 2010</p>
	<p><b>Practice and Research Interests:</b> Pain, sedation and delirium; renal replacement therapy; mechanical circulatory support; technology optimization; ICU outcomes; patient safety</p>
	<p><b>Additional Responsibilities/Current Projects:</b> ACCP Critical Care PRN Research Committee, UHC Professional Development and Workforce Committee, ACCP/SCCM/ASHP Task Force on Critical Care Pharmacy Services , UCSF ICU Delirium Committee (Co-Chair), Delirium Reduction Project , UCSF Critical Care Innovations Group and Project Emerge, UCSF ICU Liberation Task Force, UCSF Sepsis Committee, UCSF EPIC/APeX SuperUser Workgroup, UCSF Residency Advisory Committee, UCSF Comfort Care Workgroup</p>
	<p><b>Rotations Precepted:</b> PGY1: Medical and Surgical ICU; PGY2: Cardiovascular Intensive Care Unit, Medical and Surgical ICU</p>

<p><b>Alex Hiltz-Horeczko, PharmD</b>  Alexandra.hiltz-horeczko@ucsf.edu</p>	<p><b>Title:</b>  Infectious Disease Clinical Pharmacy Specialist  Department of Pharmaceutical Services, UCSF Medical Center  Co-Director PGY2 Infectious Disease Specialty Residency</p>
	<p><b>Education:</b>  PharmD, University of Colorado, 1997</p>
	<p><b>Training:</b>  PGY2 Infectious Diseases, UC San Francisco, 1998</p>
	<p><b>Practice and Research Interests:</b>  Infectious Diseases</p>
	<p><b>Additional Responsibilities/Current Projects:</b>  Antimicrobial Stewardship Service, Antimicrobial Subcommittee,  Infection Control Committee</p>
	<p><b>Rotations Precepted:</b>  PGY1: Infectious Diseases  PGY2: Infectious Diseases</p>

<p><b>Calvin Huynh, PharmD</b>  Calvin.Huynh@ucsf.edu</p>	<p><b>Title:</b>  Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center</p>
	<p><b>Education:</b>  PharmD, University of California San Francisco, 2014</p>
	<p><b>Training:</b>  PGY1 General Practice, University of California, San Francisco, 2015  PGY2 Critical Care, University of Washington, 2016</p>
	<p><b>Practice and Research Interests:</b>  Neurocritical Care  Medical and Surgical Critical Care</p>
	<p><b>Additional Responsibilities/Current Projects:</b>  UCSF Code Stroke Committee, UCSF Antithrombotic Hemostasis Committee, UCSF Alcohol Withdrawal Protocol Work Group</p>
	<p><b>Rotations Precepted:</b>  PGY1: Medical and Surgical ICU; Neurosurgery/Neurovascular  PGY2: Medical and Surgical ICU, Neurocritical Care</p>

<p><b>Fanny Li, PharmD, BCPS, BCCCP</b> fanny.li@ucsf.edu</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center Assistant Clinical Professor at UCSF School of Pharmacy PGY2 Critical Care Residency Director</p>
	<p><b>Education:</b> PharmD, University of California San Francisco, 2005</p>
	<p><b>Training:</b> PGY1 General Practice, University of Washington, 2006 PGY2 Critical Care, University of Washington, 2007</p>
	<p><b>Practice and Research Interests:</b> Medication Safety and Quality Improvement, Smart-Pump Technology, Residency Training, Code Simulations, Process Improvement</p>
	<p><b>Additional Responsibilities/Current Projects:</b> UCSF Code Blue Committee, UCSF Residency Advisory Committee; PGY1 Project Preceptor, UCSF Professional Council Committee, UCSF Adult Critical Care Committee, UCSF Medication Device and Infusion Committee</p>
<p><b>Rotations Precepted:</b> PGY1: Medical and Surgical ICU; PGY2: Cardiovascular Intensive Care Unit, Medical and Surgical ICU, Neurocritical Care</p>	

<p><b>Mandy Morris, PharmD, BCPS, BCCCP</b> Amanda.Morris@ucsf.edu</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center Assistant Clinical Professor at UCSF School of Pharmacy</p>
	<p><b>Education:</b> PharmD, Touro University, 2012</p>
	<p><b>Training:</b> PGY1 General Practice, University of California, San Francisco, 2013 PGY2 Critical Care, University of Colorado, 2014</p>
	<p><b>Practice and Research Interests:</b> ACLS, High fidelity simulation, Delirium, Infectious Disease, Pharmacokinetics</p>
	<p><b>Additional Responsibilities/Current Projects:</b> Critical Care Elective Course Coordinator, Critical Simulation Lab Coordinator, Pharmacist Prescribing Authorities Committee, Pharmacy Operational Council Committee, Professional Council Workgroup</p>
<p><b>Rotations Precepted:</b> PGY1: Medical and Surgical ICU; PGY2: Cardiovascular Intensive Care Unit, Medical and Surgical ICU, Neurocritical Care</p>	

<b>Melissa Nguyen, PharmD, BCPS</b> melissa.nguyen@sfdph.org	<b>Title:</b> Critical Care Clinical Pharmacist, San Francisco General Hospital & Trauma Center
[Picture]	<b>Education:</b> Pharm.D, Butler University, 2007
	<b>Training:</b> PGY1 General Practice, William Beaumont Hospital, 2008; PGY2 Critical Care, Detroit Receiving Hospital, 2009
	<b>Practice and Research Interests:</b> Trauma, Neurosurgery/Neurology ICU pain agitation delirium, Shock/Hemodynamics, Anticoagulation/Coagulopathy
	<b>Additional Responsibilities/Current Projects:</b> Critical Care Committee, Procedural Sedation committee, ICU Pain Agitation Delirium subcommittee
	<b>Rotations Precepted:</b> SFGH PGY1: Trauma/Neuro ICU, MICU/Cards ICU; SFGH PGY2 Critical Care: Trauma/Neuro ICU

<b>Megan Pintens, PharmD, BCPS, BCCCP</b> Megan.Pintens@ucsf.edu	<b>Title:</b> Emergency Medicine Clinical Pharmacists; Assistant Clinical Professor at UCSF School of Pharmacy
[Picture]	<b>Education:</b> PharmD, University of Minnesota, 2006
	<b>Training:</b> PGY1 General Practice, University of Arizona, 2006 PGY2 Critical Care, University of Arizona, 2007
	<b>Practice and Research Interests:</b> Emergency Medicine, Sepsis
	<b>Additional Responsibilities/Current Projects:</b> ED Sepsis Group
	<b>Rotations Precepted:</b> Pharmacy PGY 1&2: Emergency Medicine; Medicine PGY 4: Emergency Pharm Elective

<p><b>Kristin Slown, Pharm.D., BCCCP, BCPS</b> kristin.slown@sfdph.org</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, San Francisco General Hospital &amp; Trauma Center; Assistant Clinical Professor at UCSF School of Pharmacy</p>
<p>[Picture]</p>	<p><b>Education:</b> Pharm.D, University of the Pacific, 2006</p>
	<p><b>Training:</b> PGY1 General Practice, University of California, San Francisco, 2007; PGY2 Critical Care, University of Washington, 2008</p>
	<p><b>Practice and Research Interests:</b> Trauma, Neurosurgery/Neurology, Medicine, Cardiology Research Interests: sepsis, emergency medical response, alcohol withdrawal, pain/sedation/delirium</p>
	<p><b>Additional Responsibilities/Current Projects:</b> Critical Care committee, Sepsis committee, Code Blue committee, maintenance of drug libraries for hospital infusion pumps, ACLS instructor, Chair - pain/sedation/delirium subcommittee, Code blue/stroke response, Alcohol withdrawal/management committee</p>
	<p><b>Rotations Precepted:</b> SFGH PGY1: Trauma/Neuro ICU, MICU/Cards ICU; SFGH PGY2 Critical Care: Trauma/Neuro ICU</p>
<p><b>Paul Takamoto, PharmD</b> Paul.Takamoto@ucsf.edu</p>	<p><b>Title:</b> Emergency Medicine Clinical Pharmacists; Assistant Clinical Professor at UCSF School of Pharmacy</p>
	<p><b>Education:</b> PharmD, University of California San Francisco, 2010</p>
	<p><b>Training:</b> PGY1 General Practice, Stanford Hospital and Clinics, 2011</p>
	<p><b>Practice and Research Interests:</b> Emergency Medicine, Toxicology, Therapeutic Hypothermia, Safe medication practice</p>
	<p><b>Additional Responsibilities/Current Projects:</b> Code Stroke/STEMI committee, high-fidelity code simulation, residency mentor, Academic Life in Emergency Medicine (ALiEM) contributor, emergency department staff educator, California Emergency Medicine (CEM-Rx)</p>
	<p><b>Rotations Precepted:</b> Pharmacy PGY 1&amp;2: Emergency Medicine; Medicine PGY 4: Emergency Pharm Elective</p>

<p><b>Ashley Thompson, PharmD, BCPS, BCCCP</b> Ashley.thompson@ucsf.edu</p>	<p><b>Title:</b> Critical Care Clinical Pharmacist, Department of Pharmaceutical Services, UCSF Medical Center Assistant Clinical Professor at UCSF School of Pharmacy Senior Pharmacist Supervisor - Adult Clinical Services</p>
	<p><b>Education:</b> PharmD, University of Southern California, 2008</p>
	<p><b>Training:</b> PGY1 General Practice, University of California, San Francisco, 2009</p>
	<p><b>Practice and Research Interests:</b> ICU Delirium, Therapeutic Hypothermia, Medication Safety and Quality Improvement</p>
	<p><b>Additional Responsibilities/Current Projects:</b> Co-Chair Antithrombotic &amp; Hemostasis Committee, Chair-professional council and workgroup, Co-chair Multidisciplinary Delirium Committee, Coordinate IPPE student rotations, involved in multiple quality improvement/assurance projects</p>
<p><b>Rotations Precepted:</b> PGY1: Medical and Surgical ICU; PGY2: Cardiovascular Intensive Care Unit, Medical and Surgical ICU</p>
